## Editorial

I can't quite believe that it is my turn to write the editorial again. Fortunately, there is a lot to write about this month.

In the Community Kitchen article on page 13 Mary tells us about the presentation from the River Dart Rotary Weed Monkeys (not to be confused with the other sort of weed!). The Weed Monkeys are volunteers who keep the untreated weeds on the pavements, kerbs and steps in town at bay. Should Stoke Fleming have its own Weed Monkey group?

The Village Life interview this month on page 11 is with Jan Lloyd-Edwards, whose family arrived in the village in the 17th century. There is so much to tell that it hasn't been easy to keep the interview to one page!

The very successful Dartmouth Food Festival takes place later this month with Suzie Sutton of Michael Sutton's Cellars at the helm as Chair. Page 34 has information about the weekend and how you can be involved if you would like to help.

I'm excited to tell you that our November magazine will be a special issue featuring producers and suppliers of local produce, small and large. If you have any suggestions or recommendations email [stokeflemingvoice@gmail.com](mailto:stokeflemingvoice@gmail.com).

I see the fantastic sum of £3,400 was raised at the Green Dragon last month with their Ballsy Bingo night raising awareness of testicular cancer. A great achievement! This month, they will be celebrating Halloween with a Rocky Horror Halloween party.

Finally, the new South Hams Way trail opens this month (page 27). A 100 mile long walk with ten manageable sections of roughly ten miles each. I'm really looking forward to trying a section or two.

## Reader's Corner

The Team? “Is he/she a good team player?” A question often faced by those giving references or doing appraisals. Two very different stories in the news, one from sport and one from politics, set me thinking about teamwork and leadership as I prepared to write this article. Towards the end of the Italian Grand Prix, Oscar Piastri allowed his team-mate Lando Norris back into 2nd place after an equipment failure at his pit stop had cost Lando the place through no fault of his own. The two drivers, intensely competitive rivals for the championship, nonetheless endorse and do their best to practise the strong team ethos and principle of fairness at McLaren, in a way which doesn't happen in the other F1 teams. I'm reminded of leadership training long ago about prioritising and balancing the often conflicting needs of “mission, team and individuals”.

The departures of Angela Rayner and Peter Mandelson remind me of Greek Tragedy. People of undoubted talent can be brought down by a fatal flaw, a blind spot or a character defect. People are now questioning why the Prime Minister didn't appoint a more reliable team. Perhaps we should remember that we are all flawed in one way or another. Jesus appointed his own team of twelve after much prayer. He chose the perfect team of course? Far from it! Judas went on to betray him, Peter to deny knowing him, and the others ran away.

One of the panels on the wonderful carved pulpit in St Peter's shows Peter's remorse and grief after the cock crows and he remembers his own brash promise to die for Jesus, and Jesus' prediction that Peter would actually deny him three times. John's gospel (chapter 21) records the wonderful scene where the risen Jesus gently reminds Peter and gives him another chance. We may all be flawed but God still chooses us. We all have our failures, but the good news is that we can all seek and obtain forgiveness and the transforming power of God's Holy Spirit.

What can we learn about leadership and teamwork from those “flawed but chosen” disciples of Jesus? That's the theme of this year's Kingsbridge Bible Weekend. Bishop James is a down to earth and entertaining speaker whose words are full of insight and wisdom. I warmly commend the talks to you. Wishing you all God's blessing.

## Little Stars

Welcome back Little Stars. How you have all grown like flowers in the garden over the summer holidays. It was good to catch up with everyone and hear all the news.

Everyone is welcome to join us on Monday mornings in St Peter's Church 9.00-10.30 term time.

**Heather, Sue and Peter**

## Stoke Fleming Youth Club

Thank you to everyone who has used the youth club over the summer. It's been great to have the club used by so many different groups and to see children at our rainy day open mornings! Youth Club will be running again this term – please keep an eye on Facebook for updates on evenings and times.

## News from the Hort and Sport

“How does a village this size manage to put on a Show like that?”, was a comment made on Bank Holiday Monday and what a Show it was, with weather to match. A FUN day for all.

There was entertainment from the James Harris Jazz Band, the Green Dragon providing drinks, a barbeque cooked by Anita and family, and endless teas and cakes in the Ron Harris Room. The Hall was groaning with baking, jams and jellies, handicraft and the increasingly popular photographic classes. In the marquee were all the flowers and fruit and vegetables, and masses of stalls to look at around the running track with old fashioned running races, sack races and children's games revived by a volunteer in the village. Clive the Pig entertained the youngsters and Dartmouth Ice Cream refreshed everyone.

Our grateful thanks are due to many in the village, as our committee of 14 are supported by almost 100 willing volunteers who lift and shift, marshal the traffic, man the gates, judge, steward, number crunch the winners of the many cups and prizes, flip the burgers, serve teas and coffees and give us cake.

On the Friday evening preceding the Show, the opening of envelopes of all shapes and sizes give us an indication of how many entries we are expecting. No time to warn the judges that they will have a busy time on Monday morning! Those entries need to be logged and cards written as the wheels are turning to prepare everything. Saturday and Sunday are spent moving everything into position for Monday when the scene is set for a wonderful day of competition and rivalry – from the longest runner bean to the Men's Baking which produced 19 Carrot Cakes for the Judges to deliberate over. After an afternoon of meeting friends, enjoying the stalls, soaking up the atmosphere, being amazed at the quality and quantity of exhibits, the raffle is drawn. The prize-giving and presentation of the cups follows on and then, magically .... the field clears, the lifters and shifters move in, and the tents come down to be packed away until next year. By Tuesday morning, the Hall is swept, the Ron Harris room is restored to normal and the field is empty.

But we are not resting on our laurels as our Autumn Coffee Morning looms on Saturday 11th October, from 10.00 to 11.30. There will be the usual cake stall, garden bits and bobs, one or two stalls (give Paula a ring to book your space on 07812 199058) and a raffle, with time to chat amongst friends. Come up to say hello, tell us what you made of the Show and give us some pointers on how we could make any improvements.

The committee has had its fair share of difficulties this year with Shirley's illness and passing in the Spring, but thanks to her diligent notes we picked up the mantle and ran with it. Shirley – this was a Show and a year you could be proud of. RIP.

## Did you enjoy our SFrabble game?

Did you enjoy our SFrabble game at Hort and Sport?

We certainly enjoyed meeting everyone, and thanks for your useful feedback on Voice.

We also know from the length of time people stayed with us that many of you enjoyed playing our SFrabble game. Thank you so much for all the local businesses which donated prizes to us, as well as Debbie Luton for helping on the stand, Peter Barker for taking our photo, Sheila Foreman for donating our 6th Scrabble set, and everyone for playing, particularly our top prize winners:

Top word scores -

- 1st prize won by Beth, Ben and Neil with 264 for their double multiplier word “Quayside” and donated to Kim Bennett who chose a Reformer Pilates 5 session pack provided by **Dart Pilates** in Little Dartmouth.
- 2nd prize won by Karen Batty for Michael and Julie Duthie with 225 for the triple multiplier word “StokeFlemingite”! – a meal for two at **Trattoria Spaggia**.
- 3rd prize won by Andrew Culliford (99 for “Craze”) – a half day kayaking trip with **Sea Kayak Devon** at Blackpool Sands.

Top overall scores -

- 1st prize: Adrian Cornell (348) who chose an Indian Head Massage with **In Touch**, Stoke Fleming.
- 2nd prize: Jill Wallis (232) – 3 course dinner for two with house wine at the **Stoke Lodge Hotel**.
- 3rd prize: David Humeniuk (201) – 2 tickets to an open house winetasting at **Michael Sutton's Cellar**.

We had 50 wonderful spot prizes too, including a voucher and gift bag of beauty products from **The Hideaway**, Stoke Fleming; breakfast for two at **Blackpool Sands Café**; pizzas, a child's meal and drinks from the **Green Dragon**; entry for two adults and two children to **Fast Rabbit Farm** in Strawberry Valley; a visit for four people including cream tea at **Thorn Alpaca Farm** in Venn and

a beautifully presented car washing kit from **Darmechn**, Jawbone Hill.

Thank you, everyone, and well played!

## **What else we'd like to see offered in Stoke Fleming**

Back in the summer survey, Stoke Fleming Voice asked everyone whether there is anything the village doesn't provide which they'd like to see offered.

The 64 responses we received fell into three main areas – transport (by far the biggest issue), presentation, the Village Hall and playing fields – and some other points.

### ***1. Transport***

We had seven responses about a better bus service to Dartmouth later in the evening and at weekends. One person asked us to bring pressure on the local bus service to use Milton Road to go past the Academy and to turn around at the roundabout by the Leisure Centre so that elderly people without their own transport can easily access Sainsbury's and the Health Centre. In addition, we liked the suggestion that the Townstal 90 service should also divert to Stoke Fleming maybe once an hour.

Five people suggested the need for better and more reliable local taxi services – and ideally a local Stoke Fleming taxi company – operating between Dartmouth and Stoke Fleming as evening trips are currently challenging and it costs £20 return to the Health Centre by taxi.

Two people suggested the need for a village minibus service like Bob the Bus in Totnes for helping the elderly, the school, and maybe regular trips and days out, as well as helping people back from town in the evenings when the buses stop.

Parking came up twice too, and we hope plans for a new car park opposite the bowling green will proceed. People also raised traffic problems, and the need for better care of the roads, including filling potholes!

“Safer roads for pedestrians – more info to highlight concern over speeding cars.”

“More done to slow the traffic down.”

“Pathway very overgrown by horse field. Attention needed.”

“Yellow lines in School Road”, “Children at Play” sign in Well Park Place entrance (see the Parish Council's response on School Road traffic in the minutes on page 24).

### ***2. Further improving presentation of the village***

One person asked whether mock wooden gates could be erected on the pavements at the village entrances. Also, the addition of flower tubs at the gates to create a welcoming view of the village as seen in other villages around the country. (We do have a pair of flower barrels either side of the road as you enter Stoke Fleming from Dartmouth, by the Deer Park campsite. There isn't a pavement when entering the village on New Road and the first area wide enough is by the village shop, where we do have planters. Other barrels in the village are by Bidder's Close, the Church Road entrance to the Birdwalk and by the public toilets. The barrels by the public toilets will be brought to life this autumn now they are standing in front of such a smart building!)

Another person suggested an annual “clean-up the village” day, as was done a couple of years ago to good effect.

### **3. Village hall and playing fields**

Someone suggested solar power at the Village Hall, and we’re pleased this is already being planned. Also, electric parking.

Another suggestion was for football and games to be re-instated in the park. (The Parish Council have confirmed that the playpark is open to clubs and that groups can request use of the pitch.)

A tennis court would be great. And someone asked for fun exercise classes. (On this, we’d encourage people to review the activities listed on page 36 of Voice, and to make full use of the classes which are already offered here. We’ve recently lost the Edo sessions and Short Mat Bowls still needs more participation and support.)

### **4. Other**

Several people regretted the loss of the little shops we used to have especially a bakery, café or a good coffee shop whilst realising this probably isn't going to change! (Have you had a coffee at the village shop? It is excellent.)

People also suggested the need for a local medical facility or village surgery like we used to have (perhaps because of the problems getting to the Health Centre with current bus services).

Decent WiFi is still an issue for some people too, and I’d add a personal wish to receive car radio in and around Stoke Fleming and Dartmouth.

Thank you to everyone for your responses. We asked you about possible improvements to facilitate the sharing of ideas across the parish but there isn’t much we can do about the issues which were raised, so this article is largely an open letter back to the parish and district councils.

However, bus and taxi services are clearly a major issue for residents and, as we asked the question, we’d like to play a small role in trying to find a solution. Therefore, we’d like to ask the councils, and everyone else with an interest in these issues, whether they would like to work with us in thinking through the issues with a view to putting some pressure on Stagecoach etc to improve services for us.

We’d also like to pick up the suggestion of an annual clean-up (or “weed-monkey”) day, and maybe enable the village to enter for Best Kept Village competitions again. More on this when we identify an opportunity. (See also page 13)

If you’d be interested in getting involved in either of these initiatives, or anything else, please email us at [stokeflemingvoice@gmail.com](mailto:stokeflemingvoice@gmail.com).

## Gardentime

### 10 October jobs to get your garden ready for winter

1. Aerate and scarify your lawn, feed and give it the last cut before winter.
2. When you've harvested your beans, cut the plants back, leaving the roots in the soil to release their stored nitrogen.
3. Prune summer-fruited raspberries by cutting back all this year's old fruit-bearing canes. Leave the new canes to produce next year's fruit.
4. Lift dahlia and gladiolus bulbs and store somewhere dry over winter. If your garden is sheltered from the frost, you may get away with leaving them in the ground under a thick mulch.
5. Collect seeds for next year.
6. Move half-hardy plants into a greenhouse or indoors.
7. Sweep up fallen leaves, especially off lawns.
8. Cut back perennials.
9. Clean and disinfect your greenhouse.
10. Raise pots onto pot feet.

### Stoke Fleming Poppy Appeal

Help needed with the Poppy Appeal this year! A group of four took on the appeal last year after it was going to be discontinued. Unfortunately, one of the helpers has passed away and another is not very well. It would be good for the villages of Stoke Fleming, Strete and Blackawton if a couple of new volunteers could be found. As you know it all happens in November, taking out the boxes to the various businesses, collecting after a couple of weeks and counting the money; there is no house-to-house collection. The group is well supported by the Royal British Legion – so if you can help, please contact **Linda Morris**.

## Village Life – Jan Lloyd-Edwards (née Duré)

It is generally said that busy people can always find time to be busier. Married to Adrian and with 7 children between them, 17 grandchildren, two dogs and a large garden, there is never a dull moment for Jan Lloyd-Edwards. Even so, Jan has found the time to be a stalwart supporter of Village activities. She has supported Hort and Sport for more than 40 years and is currently Vice Chair. Over the years she has also been a School Governor, Chair of the Youth Club and active member of the Friends of St Peter's committee.

Jan is also a valued distributor of The Voice.

Jan's ancestors were Huguenots who fled France looking to this area for safety from persecution. In the 17th century the Duré family put down roots in Stoke Fleming. As part of today's Albany House, which Jan still owns, stood a small, thatched cottage which the family ran as the village bakery. By the 18th century the cottage had become a staging post and the head of the Duré family went on to be the first village Postmaster, passing the role down through the generations.

Jan was born at Albany House and has lived most of her life in the village. She recalls a time when Leonard's Cove was Dark Hole Farm with carthorses who pulled the haycart through the village while she and other children sat on the very top! How times change, especially in the '60s when the increase in motor vehicles fuelled the need for the village high street to accommodate two-way traffic! Jan remembers, as youngsters, she and her brother were allowed to help her father and others on the Christmas Day morning post-round. Needless to say, this involved imbibing rather a lot of Christmas cheer, such a merry crowd finally sat down to Christmas lunch!

When her father retired Jan took over as postmistress; her mother helped until well into her 80s. The Post Office and shop started to sell groceries when the local dairy closed and continued to go from strength to strength. When she herself retired, she passed on the business and is delighted that current owners Laura and Jason are doing so well; the Shop and Post Office are an asset the village truly values.

Jan has seen a lot of changes in the village over her lifetime and welcomes the arrival of newcomers and their contributions to village life. Otherwise, as she says, things will just die out, like the Hort and Sport barn dance.

The Voice team would like to thank Jan for all she does to support the local community.

## Nature Notes

I saw a female cirl bunting flying to the inner hedge from the ground nearby between Pine Wood and Ash Lane at 6pm on 15th September. A male cirl bunting has done the same but between Pine Wood and Black River, short flying from the high wind. I haven't seen them at the NT coast this year though, but I saw a pair of roe deer there at midnight on 8th September.

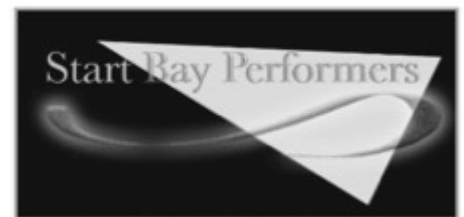

The last glow-worms were seen on 27th August at the coast. The last swift was seen at Bowden Farm on 15th August, and I haven't seen house martins during the past month, only swallows.

The old pond opposite Bowden House is full again, probably from ten inches of rain at the end of August and during September. There's only one hedgehog in my garden, in a hedgehog hut just behind the bungalow, which I gave Calci Worms, much cheaper than mealworms from Garden Wildlife Direct. ([www.gardenwildlifedirect.co.uk/](http://www.gardenwildlifedirect.co.uk/)). I hope the others are still about.

## Start Bay Performers

After a well-earned break following their last production, Start Bay Performers are back, reading and searching for suitable offerings for the next production.

Our next meeting is on Monday 6th October at 7.00pm at Stoke Fleming Village Hall. Please come along if you would like to be involved.

Readings will include

Extraordinary Revelations of Orca the Goldfish	David Tristram
When The Cat's Away	Gwen Pierce
For Starters	Nick Warburton

These one-act plays look to have the potential to be cast by present acting members. However, we are always looking for new members, particularly of the younger generations, to expand the potential for future productions. We meet every Monday evening at the Village Hall at 7pm. So, if you are thinking of treading the boards, would like to be involved backstage in designing the sets or stage management, or if you just would like to read some plays, you will be most welcome.

Once again, a big Thank You to all our supporters.

**John Belli**

## News from the Community Kitchen

We had 30 happy customers last month to kick off the new season of lunches which we held on a Thursday. The general opinion was to change back to Friday in due course which we will consider at our next meeting. However, our October lunch will be on **Thursday 16th October**, with tickets on sale in the village shop on Monday 6th October. We will keep a few tickets back for those who find an early start and a queue outside the shop not to their liking. If this is you, be prepared to put your name into the box and we will contact you as soon as we can.

“The Weed Monkeys”, members of the River Dart Rotary Club, came to give a presentation about the work they have been doing in Dartmouth and to see whether Stoke Fleming would be interested in either supporting them or joining them. As Jonathan Needs told us – the lack of weeding by Devon County Council and SHDC and the lack of spraying means the weeds have got a hold and will only get worse. Their method is to weed and hoe, dispose of the bags of rubbish and spray later with a “natural, organic remedy” harmful to no one. If anyone wishes to contact them, support them, donate to them, look at [www.riverdartrotary.co.uk/weed-monkeys](http://www.riverdartrotary.co.uk/weed-monkeys).

Autumn weather has arrived and with it some strong winds. I am hoping the apples will stay on the trees for a bit longer, especially the russet apples which are not ripe until October. It is time to enjoy the last of the home-grown vegetables and to think up some new puddings for the winter.

Anyone in the Parish is very welcome to our lunches. Tickets cost £10 from the shop plus £2 on the day. We can cater for a variety of dietary conditions BUT we do need to know beforehand, including vegetarians. An ingredient list is always available, tea and coffee served (sometimes with a chocolate!) for a small donation.

We look forward to seeing you in October.

## **Stoke Fleming Christmas Tree Festival 2025**

It's all go for the 18th Christmas Tree Festival preparations. The Festival this year takes place in St Peter's Church on 12th to 14th December. The excitement is growing to see what amazing plans you all have for your trees this year. Don't forget your oddity! We hope to have a full contingent of thirty trees. Please get in touch if you are having any problems or need assistance.

This year's Festival will be in aid of St. Peter's Church for the renovations of the kitchen area and the hope is to start the works in 2026. So, grab the fairy lights and think "Christmassy" thoughts. Looking forward to seeing this year's fantastic designs!

Don't forget... if you're not part of a tree decorating team, you can always volunteer to help with lifting & shifting, helping with the teas or stewarding at the Festival, or you could just come along to the event and support us! Just let me know. I'll look forward to seeing you there!

## **Shaping Devon's Future**

The way that Council services are delivered is going to change. In September Devon County Council made themselves available to the residents of Dartmouth in Royal Avenue Gardens to talk about the local government reorganisation and listen to people's views.

This month South Hams District Council are holding a community engagement event so you can hear about the proposed plans and ask any questions. This will take place at The Flavel on Wednesday 8th October from 6.15pm to 8pm. Entry is, not surprisingly, free but tickets can be booked through the website [www.eventbrite.com](http://www.eventbrite.com).

## Loam Rangers – September 2025

Well, summer seems to have passed us by, and as we approach the end of our core operating season we are well on track for another record year! For the period April to August, visits to site were up 12% and compost bags taken was up 30%.

As you are probably aware if you have been on site recently, we are currently out of compost. This is for two main reasons – one is that we increased the allowance to 5 bags per visit, which was taken up with some enthusiasm, hence the number of bags taken being up 30%. Secondly, we have been having a problem with our “riddler” (the machine that sieves the aged compost ready for bagging). – I am pleased to report that the riddler maintenance / repair is under way and it is hoped that it will be back in action in October. We certainly have a good stock of aged compost ready for our intrepid team to attack.

A couple of early notices for you to make a note of:

We usually have an end of year site tidy up and we are looking at early December or possibly January – this activity has been superbly supported in previous years so look out for the call to arms and bring along your “power tools”.

As in previous years we are looking at once a month Sunday opening through winter – December to February. Currently the planned dates will be 14th December, 11th January and 8th February. These dates will be confirmed and circulated to all members and volunteers.

On a final note, we continue to have significant issues with garden tools being found in the deposited waste. Unfortunately, the most common way we find them is when they cause a problem with the SHDC shredding machine or our own riddler. We therefore ask that all members are extra vigilant in what is deposited on site, and maybe even apply some high visibility tape to your garden tools. We appreciate it is difficult and none of it is deposited intentionally, but it does cause operational issues.

## **Dartmouth Banking Hub (opens Monday to Friday, 09.00 – 17.00)**

The banking hub provides basic banking services including counter services run for the major banks by the Post Office. You can pop in on any day to access these services.

You can also talk to a community banker from your bank on the day your bank is in the Hub.

Monday	HSBC
Tuesday	NatWest
Wednesday	Lloyds
Thursday	Barclays
Friday	Santander

There is a private space where you can talk face-to-face about more complicated banking enquiries like payments and transfers, managing your account, and how to use online banking. Community bankers usually take their lunch breaks between 12.00 and 13.00.

## The South Hams Way

Have you heard about The South Hams Way? It is a new 100-mile hiking trail split into ten sections that circumnavigates the South Hams area of South Devon. Created for walkers by South Hams Ramblers, it incorporates a range of diverse landscapes: moorland, coast path, river valleys and countryside. Its highest point is 1,281ft, just above the Avon Dam reservoir on Dartmoor, and its lowest is sea level.

The sections of this walker-friendly trail are roughly ten miles each and are deliberately centred on community hubs where there is public transport access, shops, refreshments and accommodation.

At the time of writing, the opening ceremony of the South Hams Way will take place at Borough Park, Totnes at 10.30am on Saturday 11th October. This will be followed by a mass walk of section one from Totnes to Buckfastleigh.

To find out more about these arrangements and about the South Hams Way visit <https://www.southhamsway.org.uk> and <https://www.southhamsramblers.org.uk/>.

Live Life in Balance

## **Dartmouth Food Festival – 24th to 26th October**

The Dartmouth Food Festival is a vibrant celebration of food, drink and culinary talent, set against the stunning backdrop of the River Dart. Over three unforgettable days, we bring together top local and national chefs, food writers, local producers, and enthusiasts for a packed programme of events.

From Drinks Seminars and Food Matters, talks exploring the big issues in the world of food, to hands-on Cookery Demos and Spirit Masterclasses, there's something for every taste. There are plenty of activities to engage children too. Wander through bustling trade stands, sample the region's finest produce, and soak up the atmosphere of one of the UK's most loved food festivals. "Come hungry, leave inspired!"

## **Stoke Fleming Outdoor Bowling Club**

Well, the outdoor bowling season is over for this year. Phew! It's been a long hot summer, with matches played mostly in glorious sunshine, the odd howling wind and just the occasional shower. The bowling green and grounds have looked fabulous throughout, the social events have been and gone and the club competitions completed in a cheerful and friendly competitive way. The icing on the cake though, is that the club has achieved promotion to the Mid Devon League (MDL) Premier Division.

So, what now? The closed season will see club members volunteering their time to carry out maintenance on the green, grounds and buildings to ensure that everything is at its best for 2026 to welcome back returning and, hopefully, new members.

## Stoke Fleming Library News

The public computer here is available for 2 hours free each day we are open, and we can also do A4 photocopying and printing in both B&W and colour for you.

Did you know you only need a Library Membership card and a PIN number to borrow a huge range of e-Books and e-Audiobooks from Devon Libraries via Borrowbox App? Also magazines and newspapers – this is all free – and there's a terrific range for you to choose from. Also, plenty of jigsaws for you to borrow here at the library.

Our usual opening hours at the Village Hall are on the magazine's Information page – and of course there's ample free parking!

For your information there is a copy of Nick Teage's "History of Stoke Fleming" which anyone is welcome to peruse in the library.

And if you're looking for a good home for those books you've finished with, please think of donating them to us.

## The Probus Club of Stoke Fleming and District

The Probus Club has organised two meetings in October. Probus is essentially a lunch and social club for gentlemen who have retired from business or a profession but are keen to remain socially active. We meet together at the Stoke Lodge Hotel twice a month and we always have interesting speakers. The hotel bar opens after the talk and once a month we have a communal lunch together.

The Club has a lunch meeting planned for Wednesday 8th October commencing at 10.30am. Prior to lunch, local historian Jon Turner will deliver a talk about “**Captain John Bulley**”, a distinguished Dartmouth sea captain and sometime mayor of the town.

On Wednesday 22nd October at 10.30, we plan to meet again for a coffee morning, where David MacVeigh will tell us all about “**How Britain Became an Island**”.

The club is keen to have some new members, so if you are interested and feel you are eligible, please come along and experience a trial meeting. You will be given a very warm welcome.

## Prickles in a Pickle

What an amazing day the Hort and Sport was. The sun shone, the crowds came and a good day was had by all. Shirley would have been proud of the incredible team that put it all together while missing her so much. Thank you all.

Although it is good to raise money at these events, it is the bigger picture we look for. Meeting people and answering their questions, giving advice on how to give nature a hand.

This year we have had a wide variety of creatures needing help, from a bullfinch to tawny owl, ducklings to foxes and everything in between.

Thanks to our intrepid fundraiser, Janice, we have almost reached our match funding target of £25,000 and we still have a month to go. When you think that last year's figures show it cost £70,000 to run, to raise another £25,000 is phenomenal and takes a lot of hard work and generous people.

We have certainly had our fair share of oddities. A hoglet that fell into an inspection pit at a local garage, "Penelope Pitstop"! A hedgehog caught up underneath a roundabout at Woodlands. A hoglet who walked into a Barnardo's shop in Ivybridge, called "Barnardo"! One found in the beer cellar of a pub, "Stella"! (Other lagers are available!)

I say that hedgehogs find a new way to hurt themselves every year and this year has been no exception.

I have reached the final four of the BBC Make A Difference Awards and the interview aired for the first time today, 8th September. Lots of positive feedback which is always nice and of course it all helps get the hedgehog awareness out there.

Anyway, I am under a word count curfew, so I will leave it there.

Thanks for your support.

## Friends of St Peter's

For some years FoSP has been pursuing a project to upgrade the churchyard path from the War Memorial past the east end of the church and on down to the gate leading through to the path to New Road. Much work was done on this, originally by David Holmes among others, and latterly by Suzie Dodsworth. We were excited at the prospect of a resin bonded, granite cobble edged path all the way.

This was supported by the church PCC and seemed to have found favour with the Diocesan Advisory Committee until the intervention of the South Hams Planning Department. The planning officer visited the site on 5th September and, despite the efforts of Revd Matt, John Dietz and Ali Girardot, he remained adamant that this scheme would require a full planning application based on an architect's drawings and a structural engineer's advice etc, etc. This would clearly mean another long delay and a lot of extra costs. The issue seems to be that a slightly wider path in a different material counts as a "new" path and is thus subject to all the latest regulations. This is even more the case for the sloping section which at present resembles a stony rut more than a path.

However, he also said that, without planning permission, we were allowed to "tidy up" and "repair" the existing path. In reality this means trimming back the overgrowing grass and laying more tarmac on the first tarmac section from the war memorial, and laying some shingle on the sloping section (but without using machinery to bed it in) to create a rather more even and safer surface.

At the meeting on 8th September the PCC was happy to support whichever option FoSP (which is paying for the project) should choose. Subsequently the FoSP Committee

regretfully decided to abandon the full scheme (at least for the present) and go for the immediate "repair" option, with a view to improving the path before the onset of winter. Ali Girardot, on behalf of the PCC, is already working on obtaining quotations from suitable contractors. We are very grateful to her, and to all who have worked so hard on this project.

I sincerely hope that FoSP members will understand and support the committee's decision, and that all villagers will soon be able to enjoy walking through our lovely churchyard more easily.

## FOSP Fun at Hort and Sport

What a lovely day for the annual Hort & Sport Show. The sun was shining, many people visited, the events were great and the various displays truly wonderful. The village pulled together to create a great community experience.

The Friends had a stall for the “fun” games of Shove Half Penny (old pub game with genuine ½ penny pieces) and Quoits (played on cruises). It was only £1 to play both games. We had 88 visitors and a wonderful donation of £10. The winners of the day were presented with a tub of chocolate Heroes

We enjoyed meeting people and helping with the games. We also showed off our projects and handed out leaflets explaining what we do.

Many hands helped with transporting and erecting the gazebo, bringing the displays and tables as well as the games, chairs, instructions and prizes. Thank you all.

*Suzie, Rosemary and Mike taking a well-deserved break. Thank you for the photo, Teri.*

## BeWild half-term events – Autumn Wild Week

BeWild have a collection of events planned for half-term, around autumnal themes. We'll be looking at links between pollinators and food at the Dartmouth Food Festival, with a kids' creative workshop – catch us on Sunday 26th October 12-2pm.

And we're continuing our collaboration with Dartmouth's Coastal Trail Café to host **Wild Week**: a series of fun and inspiring talks and hands-on events (all free to attend), helping connect us to the amazing natural world on our doorstep.

From Monday 27th to Friday 31st October, drop into the café at 2pm to find out more from local experts about bird migration; the wonderful world of bats; the extraordinary life in our rock pools, or that prickly favourite, the hedgehog.

On Tuesday 28th the café will be the venue for "**Fungi Frida and the Myco Heroes**": a delightfully fun and silly show with songs, clowning and interactive bits, alongside mind-boggling facts about the astonishing properties of our fantastic fungi. For children of all ages and their families. Can fungi save the world? Come along and find out!

Details of the week's events will be on our website: <https://bewild.uk/news/>.

## Where are we now?

Alex Knight, Clever Clogs, Jean Saunders, Jack Hanley and Emily Bridge all knew we were at the Crabshell, Kingsbridge for the September picture.

So, let's see how you get on with this month's picture, going back to 1958. Now the only question is where are we now?
