## Editorial

I'm delighted to introduce our winter issue of the *Voice*, packed with news, features, and plenty of festive goings-on, in and around the village over the next two months.

As I write, November is quietly settling in — and we approach that curious moment when the world seems to be both winding down and gearing up at once. How is it that December and January can be so close, yet feel so different? For me, this time of year reminds us how important it is to pause and reflect on the months gone by, so we can more gently and intentionally prepare for the year ahead. It's all too easy to get swept up in the endless pursuit of *what's next* — whether that means planning your spring garden and getting bulbs into the ground before the first frosts, or spotting Easter eggs already lining the shelves on Boxing Day (madness!).

So, pick your side: will you be leaning into your own personal winter hibernation, or embracing a calendar full of festive gatherings? Both are equally special ways to spend the season, and as you read on, you'll find plenty of inspiration no matter which camp you're in.

As time slips gracefully through these wintry weeks, I'm reminded of Thomas Hardy's *The Darkling Thrush*: despite the "spectre-grey" frost and the "weakening eye of day" there is — and always will be — much to sing about. So, until we're back with you in February, on behalf of everyone here at the *Voice*, I wish you a very happy Christmas and all the best for the New Year.

## From the Rectory

Recently I found myself struggling to sleep and at 5am thought I may as well get up and get on with my day. I thought I'd go for a walk to wake myself up properly, so I headed down a path near the Rectory and it was pitch black,

literally nothing. I was even struggling to see my feet! One of the perks of rural living is that light pollution at times can be almost non-existent. This walk, in particular, was completely devoid of any light. I made my way slowly and carefully along the track, praying that I wouldn't discover a puddle. Suddenly the sky brightened ever so slightly, like a gentle glow, which struck me as odd. Then, as I came to a clearing, I could see the tiniest of tiny shards of light; it was the dawn. In that moment I made sense of a saying that I had often heard but not given much thought to: "the night is darkest before the dawn", which is attributed to the 17th Century English Historian Thomas Fuller.

This got me thinking about life; how when we find ourselves in trouble or a bad situation we like to try and resolve things before things become "too dark" but often we cannot stop it from happening. But the reality is, there will always be a dawn; there will always be light. Eventually. As we enter this Christmas season, we are reminded that the son of God entered the world in this darkness. Having displaced rumours at home of an illegitimate child, Mary and Joseph found themselves making a very long arduous journey at the worst time of a pregnancy. Then to be met with zero possibilities of gaining lodgings even though Mary was in the start of labour. For Mary and Joseph things could not get darker: would their son be born on the roadside, would Mary cope with a birthing in the street? Things were beyond bleak, it seemed like game over in some respects, then one last chance, one final push and hope coming in the form of a kind innkeeper who could see the severity of the situation and the brokenness of the young couple. He gave the little he had, which provided a safe, slightly quieter, dry space for Mary to step into the next part of God's master plan.

Suddenly the darkness was broken, a slither of light and hope followed by the most beautiful and magnificent gift, a child, and not just any child, the light of the world. At that moment things couldn't have been brighter in that stable. A brightness that has since travelled the world, been told in so many languages and spoken to so many hearts. Plus, the best bit is that Jesus is STILL the light of the world, and He is always willing to shine his love and light in all our situations no matter how bleak or dark they feel, there will always be a dawn. And my prayer this Christmas is that you will discover this for yourself, as you hear the familiar words of the nativity, that God will show Himself and His light to you.

**Blessings, Revd Matt**

## **Little Stars**

It is an exciting time of year for Little Stars, with children full of fun, and mums thinking about the Christmas Tree Festival. We have a very supportive band of mums and grandmas around us, and we are very grateful.

We will return in the New Year when the school term begins. We welcome everyone to come and join us in the church on a Monday morning 9.00-10.30am.

Merry Christmas and a Happy New Year to you all, from **Heather, Sue and Peter.**

## **Stoke Fleming Youth Club**

We welcome all young people from year 5 upwards on a Tuesday evening from 5:30-7:30 during term time.

We also hire the hall out to help raise money for the club. We offer a low cost and flexible space, with all the proceeds used to keep the club running for the young people of Stoke Fleming. Please do consider using the hall if you have a group or event.

Any further questions please message our Facebook page or send us an email [stokeflemingyouthclub@gmail.com](mailto:stokeflemingyouthclub@gmail.com).

## **The Stoke Fleming Advent Window Calendar**

We are delighted to share the news that the Stoke Fleming Advent Window Calendar will be returning once again this year. A heartfelt thank-you goes to all those who have volunteered to create a window display — your imagination and enthusiasm are what make this much-loved tradition so special. Each window brings its own unique charm, and we're eagerly looking forward to discovering the festive scenes you have in store for our community.

From 1st December, printed maps showing the location of each participating window will be available to pick up from the Village Shop. We are inviting a voluntary donation of 50p per copy, the proceeds of which will go to St Peter's Church.

Whether you're taking an evening stroll to admire the displays or following the trail with family and friends, we hope this year's Advent Calendar brings plenty of joy and Christmas spirit to the village.

## Lest we Forget

***“They shall grow not old, as we that are left grow old: Age shall not weary them, nor the years condemn. At the going down of the sun and in the morning, we will remember them.”***

This year Peter Barker gave a beautifully delivered Remembrance Day Service at St Peter's with a poignant, memorable, and personal sermon, and on Armistice Day a short service took place at the War Memorial. (Photos: Linda Morris)

## News from the Hort and Sport

A big thank you to all who came along to our coffee morning on 11th October. It was lovely to see so many enjoying a catch up over coffee and cake.

Hort and Sport have a few quiet months ahead but our thoughts are already on the ever popular plant sale on 9th May 2026, a great opportunity to buy locally grown plants and homemade cakes! More information in the next edition of the Stoke Fleming Voice.

Our annual AGM took place in November and, whilst we said a very heartfelt goodbye to our stalwart chair Barry Morris and long-standing committee member Jan Lloyd-Edwards (with over 60 years' service between them!), we welcomed two new members Karen and Alex.

This has been a particularly challenging year for us as a committee and village after the loss of our dear Shirley Ruddlesden and Mike Jordan. The show in August was a huge success and I believe we did them both proud. We look forward to a full and exciting year ahead and wish everyone a very happy Christmas and prosperous New Year.

## Nature Notes

A grey wagtail came back to the Venn Stream near to Venn Wood on 25th October. He was there a couple of years ago on the farm gate off Venn Lane and I put calci worms (beetle larvae) there afterwards. A couple of moorhens came out of Mill Drive to cross the lane to Riversbridge Meadow on 15th November. I put more calci worms on the drive entrance and they ate some of them. Also on that day, I saw a heron flying from Riversbridge Pools to Blackpool at 4.30 pm. There are pipistrelles out as well at 5.15 pm near Bowden House.

There were a couple of herons at the northern end of Slapton Ley (Higher Ley) on their nest area on 13th November. A great white egret, which is more akin to the herons than the little egret, flew towards them. A firecrest tried to find food from the departing leaves in my garden on 12th November and coal-tits were there some days, eating peanuts. There are at least two hedgehogs in my garden at present eating a lot of food. There are also nests from goosander underneath the riverbanks and even buildings.

## Start Bay Performers

We are continuing our play readings to source our next production. We are hoping that it will be early in the New Year, once the dust has settled after Christmas. We continue to meet every Monday evening at 7.00pm at Stoke Fleming Village Hall, apart from 22nd and 29th December. Please come along if you would like to be involved.

We are currently reading "The Visitor", a play by Maureen Lee. It features the ex-secretary of a wealthy businessman who seemingly committed suicide. Laura complains that she should have inherited much more than her comfortable cottage and car if a certain Will had not disappeared. The arrival of a strange woman develops the play into a revealing ending. We will continue to review its suitability.

In collaboration with the Village Hall Trustees, we are looking to form a Film Club, showing films in the Village Hall in the New Year. So please watch this space!

All at Start Bay Performers would like to wish our supporters and everyone in the Village a very merry Christmas and a peaceful, happy and healthy New Year.

## **Stoke Fleming Primary School**

It's been another busy and brilliant few weeks at Stoke Fleming Primary! Our Year 6 children attended the *Junior Life Skills* event at Dartmouth Leisure Centre — a fantastic opportunity for them to learn about staying safe in a variety of real-life situations, from road safety and fire awareness to first aid and online safety. In the afternoon, the Leisure Centre also hosted a *swimming gala*, which was great fun to watch. One thing that really struck me was that every single child in Year 6 can swim confidently — a wonderful testament to the swimming lessons they receive as part of our curriculum and the continued support from parents who ensure their children build on those skills outside of school.

### **Athletes**

On the last day before half term, we had a visit from Oli Adams, a Pro Surfer; the children took part in a fun fitness circuit with him. The children were asked to get sponsorship for participating in the fitness circuit, and any funds raised will help purchase new sports equipment. This will also support Great Athletes in inspiring the next generation.

### **National Education Nature Parks (NENP)**

At Stoke Fleming, we are committed to providing our children with a rich variety of opportunities and experiences. Last half term Discovery Class became *Citizen Scientists* for the afternoon as part of the National Education Nature Parks (NENP) project, led by the Natural History Museum in London. The children explored our school grounds to identify the different habitats on site and uploaded their findings to the NENP platform, contributing to national data about how school sites can support spaces for nature.

## News from the Community Kitchen

We had the choice of three delicious soups on Friday 14th November – Chicken and Vegetable, Parmesan and Parsnip and Butternut Squash with Apple. The choice was difficult, but we managed! It was our “Soup as Main Meal” lunch and followed by the usual array of desserts. Compliments were flying and it was lovely seeing some new faces and old friends.

Our next lunch will be a Christmas one on Friday 5th December in Trattoria Spaggia at the invitation of Anita, at 12.30pm. We are deserting the Village Hall for this one as cooking in a commercial oven is very much simpler for the chefs (and sous-chefs).

We really do need to know of your dietary requirements in advance as we are not magicians. [Houseonthehill661@gmail.com](mailto:Houseonthehill661@gmail.com) will find me and we will do what we can to produce an alternative option. There will be a vegetarian option too but, please, we do need to know how

many we are catering for. Bring your own tipple and encourage your friends to come. Tickets are at the remarkable price of £15 and went on sale in the Village Shop on 24th November. And you never know, Father Christmas may have left some gifts in the Trattoria.

Our following lunch will be on Friday 23rd January at 12.30 in the Village Hall. Tickets will be on sale on Tuesday 6th January from the Village Shop.

We have had a great year of lunches, mostly sold-out in advance and we must have fed over 300 people. Our chefs are generous with their time and ingredients which is how we have kept the ticket price to under £15 per lunch. The idea is simple – come along to have a hot meal, a welcome break and to meet others from the village. Meals are for sharing and you don't even have to wash up.

Happy Christmas to all our customers and we look forward to seeing you all again in 2026.

## Dartmouth Caring Memory Café

We'd love you to meet some of our team! Introducing Lucy, Shannon, and Thomas – our fantastic colleagues who jointly lead and facilitate all the activities at our Memory Café (every Tuesday, 10.30 to 12.00). They provide a friendly and understanding space for those with memory problems, with their loved ones, to connect, socialize, and share experiences.

Shannon leads our Carers' Group, a valuable source of support for carers and this takes place once a month alongside the morning's usual activities. We are supported by a wonderful, dedicated team of volunteers every week.

We are delighted to say we can welcome more people to Memory Café at the Health Centre, so please do get in touch with the team to find out more information: Email [enquiries@dartmouthcaring.co.uk](mailto:enquiries@dartmouthcaring.co.uk), tel: 01803 835384.

## Breast Cancer Support Group – Dartmouth Caring

Our lovely group met in November, and we welcomed Clare from Breast Cancer Now, who chatted about their services and what help and support they provide as a charity.

In December we look forward to welcoming Natalie, a local yoga teacher who is coming to show us some easy yoga moves to help with the after-effects of surgery and treatment.

We always enjoy a chat over a good cuppa and a special thanks goes to Jill Wallis, who makes sure our cups are always filled! And an equally fab shout out to Rachel Evans for making our scrummy cakes every month!

We will continue in January with an equally warm and informative session and would love to welcome anyone who has been affected by breast cancer to our friendly group. No matter how long ago or recent your diagnosis has been, we all share our experience and support with each other.

Our group is held on the first Wednesday of each month, 5.30pm to 7pm at Dartmouth Caring, Health & Wellbeing Centre, Dartmouth. For any questions, please call Dartmouth Caring on 01803 835384 or Dawn Whiteley on 07710 622896 or email [enquiries@dartmouthcaring.co.uk](mailto:enquiries@dartmouthcaring.co.uk).

**Georgie and Alan**

## Village Life – Alan Jones and Georgie Varney at the Green Dragon

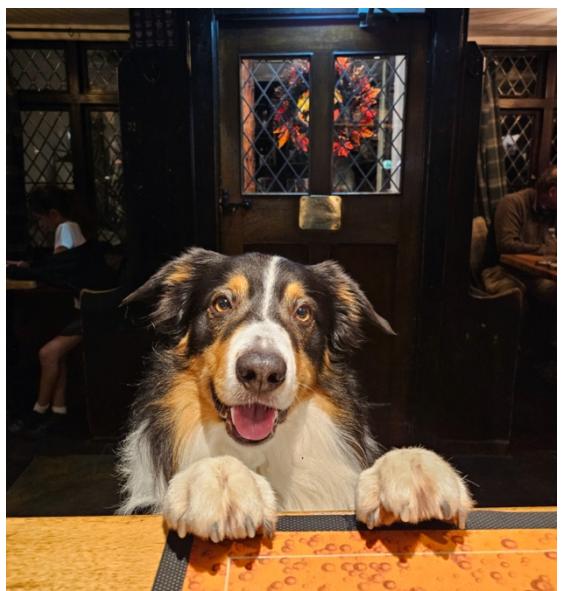

In February 2026 it will be eight years since Alan and Georgie signed the tenancy agreement with Heavitree and became the landlords of the Green Dragon. The journey began with Alan and numerous ideas on numerous post-it notes. He was then running the bar at the Start Bay Inn, where Georgie also worked. Georgie was ready for a fresh challenge as her youngest child was now at school. With the help and guidance of Georgie's dad's business experience, the post-it notes became a business plan, then a tenancy.

Alan's journey to Stoke Fleming started when he took leave from his bar manager training in Basingstoke to work at The Cherub in Dartmouth for a few weeks when the landlord, his godson's father, wasn't well. That was 31 years ago! Six years at The Market House followed five years at The Cherub before moving round the headland to the Start Bay Inn.

Georgie has been coming to the area since a baby, visiting her grandparents in Strete. Her working life involved organising on a rather large scale, being Business Events Manager at the Birmingham NEC, Manager of the Royal Agricultural Show in Stoneleigh and arranging international events such as the G5 conference in Birmingham.

Events are a regular activity at the pub. Georgie and Alan feel strongly that the pub should be one of the hubs of the village community and they work hard to fulfil this. This year a charity bingo night raised £3,770 for testicular cancer! Local residents are wonderful at helping as well as attending. There have been wedding receptions, wakes, local bands, birthday parties, pop up dinners with Sigourney and The Greedy Table. The community and family feel continues with those who work there. Peter Crowther who ran the pub for many years is behind the bar at weekend lunchtimes, Poppy, Georgie's eldest daughter has completed her hospitality apprenticeship, her son Will and Alan's son Elliot are part of the team. Village youngsters who joined them in the early days are still there, working in the holidays.

To finish, we can't talk about life at the Green Dragon without talking about Clifford! The lockdown puppy from friends at a farm in Prawle who is the friendliest dog, can be seen resting his front paws on the bar as if checking all is in order, and quite possibly hoping for a biscuit too.....

## Christmas Tree Festival 12-14th December 2025

All entries are now in for the Christmas Tree Festival. Without giving anything away, this year's themes are among the most varied and spectacular yet! Thank you to all the various clubs, businesses, groups and organisations who are sponsoring a tree. In all there will be 29 beautifully decorated trees, each with its own unique look. Of course, this year is no exception, visitors will be invited to scour all the trees in search of that elusive oddity – a decoration that does not quite fit with the theme of the tree. Be sure to enter the competition with the chance to win a special prize.

If you're not decorating a tree, don't panic... we still need volunteers to help with stewarding, lifting and shifting, and serving up delicious treats to eat and drink. So, if you would like to join in the fun, please contact Caroline using the details below.

As always, entry to the event is free to all visitors. All we ask is a donation by cash or card to swell the coffers of this year's worthy cause. The money raised will go towards St. Peter's Church and their ambitious plans to refurbish the kitchen and carry out essential works. So put the dates in your diary and we look forward to seeing you there!

## The Arts Society Dartmouth and Kingswear (TASDAK)

Our lectures take place in The Flavel Arts Centre and cover a wide range of historical and arts-related topics.

The next TASDAK meeting will take place on Monday 8th December at 2.30pm when **Sarah Deere Jones** will present a musical portrait of a medieval Christmas using illustrations from illuminated manuscripts, readings from literature and contemporary accounts, haunting songs, carols and lively dance music. Sarah brings to life the spirit of Yuletide in a manorial household. Her presentation is entitled: "**Singe we Yule – A Medieval Christmas**". This one is not to be missed!

Then on Monday 12th January 2026, also at 2.30pm, **Julian Hatsby** will give a presentation called "**White Mantle of Winter – Impressionists – Paintings of Snow**". The impressionist movement of the 19th and 20th centuries produced some of the finest snow paintings in the history of art. This lecture is rich in wonderful images which combine the paintings of the well-known and lesser-known artists.

## Loam Rangers

We have previously boasted how we are a great example of a community composting initiative in action and thriving. Well, the word seems to have spread, and we were

delighted to host a visit from the BBC spotlight team in conjunction with Sustainable South Hams, where they were keen to see how we operate and the benefit it brings to the local community. We did ourselves proud – even managing to get a team of riddlers out and in action! We don't have a date for our moment of glory, but I am sure once we do the

village jungle drums will bang out the message. Thanks to everyone – especially Gary – who made this possible.

We are fast approaching the end of our normal seasonal weekly opening with the 30th November being the last regular Sunday.

However, as in previous years we will be open once a month through winter – December to February. The dates are 14th December, 11th January and 8th February.

### ***Would you like to get involved with SFLR?***

Do you have a head for figures? If you do - we have a great opportunity for you! Our wonderful, and long-standing treasurer, Marie Circuit, is looking for someone to help in the role of treasurer, in particular the production of accounts and administration around insurance, with a view to moving our accounts from a traditional paper-based system to electronic records, be that a basic system or even spreadsheets. Some accounting experience would therefore be an advantage; however, a positive and enthusiastic nature is the best attribute. You would be joining a great team delivering a wonderful community service that is so well supported by the village. The role would grow over time with a view to take on the full treasurer responsibilities and is on a voluntary basis.

## Let's Keep Our Parish Clean and Beautiful

We all love walking our dogs around our lovely village, but please remember to always carry waste bags and clean up after your pets.

Dog mess left on paths, verges, and play areas **isn't just unpleasant** – it's a health risk, especially for children.

South Hams District Council is asking all dog owners to do their bit by **bagging and binning** their dog's waste responsibly.

Anyone caught not cleaning up after their dog could face a **£100 fine**.

If you notice dog mess or have information that could help identify repeat offenders, please report it on the South Hams District Council website – just search “**report dog fouling**”.

Together, we can keep our parish clean, safe, and a place we can all be proud of.

**Bag it. Bin it.

beautiful!**

## **Stoke Fleming Library News**

We have a good selection of children's books on display, together with a lovely stock of picture books and board books for the younger borrower. Grandparents please note - if you need assistance in keeping those little visitors entertained - you can borrow children's books on your cards. Jigsaws available too! All for free.

The public computer here is available for 2 hours free each day and we can also do A4 photocopying and printing in B&W and colour for you.

Did you know you only need a Library Membership and PIN number to borrow a huge range of e-books and e-audio books from Devon Libraries via Borrowbox App? Also magazines and newspapers - this is all free - and there's a terrific range for you to choose from.

We're also very happy to accept donated books - as long as they are in good condition.

Ample free parking when you visit in person which is a bonus.

The library will be closed over Christmas, but open Monday 29th and Tuesday 30th December. Then closed from Wednesday 31st December and re-opening on Monday 5th January, when we will resume normal opening hours.

Thank you for continuing to support the library and I look forward to seeing you soon.

## Stoke Fleming Village Hall Update.

The last five weeks has seen many people visit our wonderful hall for a wide range of reasons.

At the end of October, we had the privilege of welcoming Caroline Voaden MP, to present a Lottery Fund Cheque for £20,000 to facilitate the installation of solar panels on the hall's roof. Such an attendance made the front page of the Dartmouth Chronicle, and I would like thank her for taking time from a busy schedule to come to Stoke Fleming. Caroline made a point of spending time with many present, including Barbara Goddard which was very poignant.

*(Photos of cheque presentation: Gary Rapps, Dartmouth Chronicle)*

The road closure in the village the following week, prompted the Trustees to allow the car park to be used temporarily as a drop off point for the school, Stagecoach turning bay for their bus services and an overnight base for residents' cars while the works were undertaken. **Please note the car park's annual closure over Christmas will be from midday on the 24th until midday on 27th December.**

We then welcomed a host of buyers and sellers to our second tabletop sale of the year which was a tremendous success in raising funds for the hall. Stall holders offered a multitude of bargains whilst the hall team served up some wonderful homemade cakes, sandwiches and refreshments. Special thanks go to Jill Wallis for leading the event, all those that worked to make it happen and Gary for his sold-out Tombola which featured 50 donated prizes.

Our next event is a dual one. The Christmas Carol Sing-Along on 13th December will feature a number of popular Christmas favourites that we can all join in. It will be led by "The Brass Monkeys", an 8-piece ensemble, with songs from the talented Lucy Hingston.

During the evening we will be drawing the winners of our amazing "12 Hampers of Christmas" raffle, which will feature twelve lovely themed hampers each influenced by a different aspect of Christmas Day. Decorations and family games to seasonal cocktails and sweet treats will be up for grabs kindly donated by Tesco, Sainsburys, McCarthy Stone and many more.

Tickets for both fundraisers are now on sale from Jill on 01803 770045 or via the Village Shop so please support us where you can.

Finally, I would like to thank the hard work of our Trustees team who assist in the running of the Hall and for the continued support of our wonderful Parishioners.

I would like to personally wish each one of you a peaceful and very Merry Christmas and a healthy and happy New Year. May God Bless You All.

## Prickles in a Pickle

I cannot believe that I am writing “The Festive Post” – where on earth has this year gone?

No let-up in new admissions, September and October have been our busiest ever. Sadly, so many are very sick and prove more challenging to save. We always give them the very best of attention and care, sometimes around the clock, and sometimes it pays off and sometimes it doesn't.

This year has shown a steady increase in the variety of animals and birds needing help: mice, voles, owls, crows, pigeons, ducklings, and a plethora of other garden birds, all needing help.

As usual at this time of year we like to remind you all to please keep feeding and leaving water. Hedgehogs, especially in the South West, rarely hibernate. They may not visit when the weather is bad, but they will rarely sleep. The main trigger for hibernation is several nights at below 6 degrees. We so very rarely reach this. Feeding will not alter their winter behaviour, but lack of food means they starve. We are only supplementing their natural diet, not replacing it.

Our “Coffee with a Hint of Christmas” event raised just under £1,400, Gardentime are holding a coffee morning for us later on, we have the Christmas Tree Festival to look forward to and “Kingsbridge Does Christmas”.

Our match funding campaign was successful, and we reached the £25,000 target in 5 months, which earned us the same amount from the Fisher Trust.

A few numbers for you, we currently have 58 volunteers, 8 trustees and 30 transport volunteers. We take in up to 200 hedgehogs at a time and over 1,000 a year. To date we have had 87 Duke of Edinburgh Students, plus Veterinary students and college placements. It costs us £70,000 a year to run. The amazing thing is that this money is raised by our amazing supporters.

Last year we gave on average a talk/presentation a month and about half that in school visits.

We are at the survey stage of planning for our new hospital, and we hope to have more news to share with you all in the next magazine.

So, we wish you a very happy Christmas and healthy, happy and joyful New Year. For PIAP it will be work as usual.

## Friends of St Peter's

The churchyard path from the war memorial to the east end of the church building has been successfully retarmacked by Dart Surfacing. All we are allowed by South Hams planners to do to the rest of the "Coffin Way" path on and down to the east gate is to lay new gravel. This is expected to be done by the end of November. FoSP will pay for the gravel and the labour is being provided by cadets from the Royal Naval College. As I write, in the middle of November, the decision on the Church's application for a substantial grant towards the Toilet/Servery project is expected any day. We hope that by the time you read this there will be good news enabling the project to forge ahead.

With best wishes for Christmas and the New Year.

## **The Probus Club of Stoke Fleming and District**

As the end of 2025 approaches, the thoughts of Probus members naturally turn to family matters with the festive season and New Year celebrations. We have a final lunch meeting for 2025 scheduled for Wednesday 10th December in Stoke Lodge Hotel, commencing with coffee at 10.30am. Our speaker on this occasion will be distinguished academic commentator John Dobson, who will deliver a talk entitled "**Putin's Russia, Trump and Ukraine**" - an up-to-the-minute analysis and insight into world events. This event will also include the club's Christmas Lunch with a special menu.

The Probus Club will then fall quiet over the festive and New Year celebrations, re-opening on Wednesday 21st January 2026, with a lunch meeting at the Stoke Lodge Hotel, again commencing at 10.30am. Our speaker at this meeting will be David MacVeigh with his talk on "**How Britain became an Island**". David was due to visit the club with this talk back in October, but had to postpone because of illness, so we are pleased to welcome him for this revised date. The event will also incorporate the club's Annual General Meeting, where programme arrangements for the remainder of 2026 will be finalised.

The Probus movement has branches all over the UK and is a form of social club aimed at retired gentlemen from business or commerce who wish to remain socially active. We are very keen to attract new members, and a warm welcome will be extended to any eligible gentleman wishing to come along and try one of our meetings. If you would like to attend, please call **Peter Hales** (Club Secretary) on 01803 770739 to discuss the club and book a place. Alternatively, simply come along to an event and see for yourself!

## **Stoke Fleming Bowling Club**

Although the outdoor bowling season has well and truly finished now until the Spring, we would just like to thank everyone who has supported the club this year, in particular our sponsors who have been so generous, to those who have come along and given bowling "a go" and, lastly but definitely not least, our President and members who make the club so special. Through the pages of this magazine, we would like to wish you all a very happy Christmas and festive season.

**Liz Mallyon**

## ***Stoke Fleming Voice* online!**

The *Voice* now has its own website here: [www.stokeflemingvoice.com](http://www.stokeflemingvoice.com). We've set this up with help from the County Council's Growing Communities fund to provide online access to pdf copies of the magazine, in addition to our current printed copy distribution. We hope this will go towards solving three different issues:

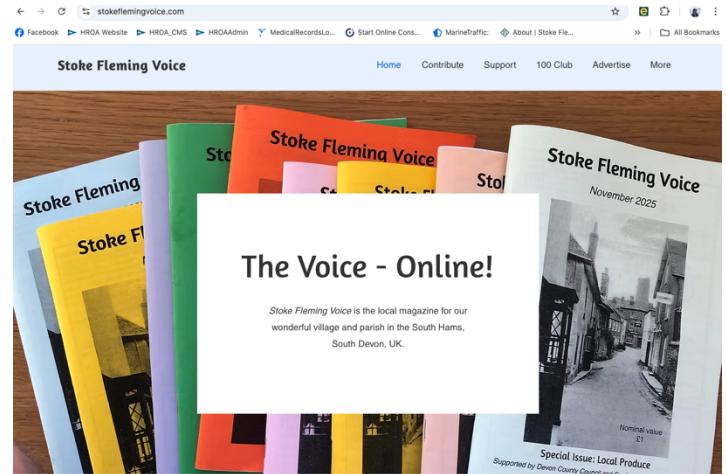

1. We know some people have been unhappy about second homes not receiving copies of the *Voice*. The editorial team wants to be inclusive, but neither we nor our distributors have complete information on which or how many of these properties there are. We also don't have the funds (even with the support of the 100 Club) to significantly increase our print run. Second-home owners are not necessarily going to be away more than many other residents, but are very unlikely to always be here when magazines are delivered, so we hope that having access to pdf copies will be an acceptable and possibly sometimes an even better alternative to having printed copies delivered.

2. Added to this, we're not totally sure whether all other properties, especially those in the outer parish, are receiving the magazines they should. Indeed, we've come across several examples of overlaps and omissions in the rounds. We plan to do an audit of our entire distribution system, but in the meantime, we hope that having online pdfs available will at least ensure all residents can access copies of the magazine.

3. We have been delivering copies to Little Cotton Farm (LCF) since April, as we had special District Council funding to do this. These funds run out in April 2026, and we hope that residents in the development will use pdf copies to keep informed of parish activities after that point.

There are probably other potential benefits too. For example, pdfs could be accessed by people from outside the parish (residents of nearby villages interested in our news; tourists selecting where to go in Devon; families looking at moving here, etc). Past copies could help too (new residents wanting to read previous features; visitors wanting to check what generally happens in a different month; etc). We might even find that all these people discovering what a wonderful place we live in benefits our businesses and adds (slightly) to the value of our homes.

However, we realise that pdfs won't work for everyone (and please note, other than for LCF, we're not stopping sending printed copies to anyone). So, on the site's homepage, we provide opportunities for people to tell us if they'd like to start receiving the printed magazine – or to cancel their deliveries if they don't read it or would prefer a pdf. We'll do our best to respond to these requests but note that we'll only be able

to do so when organisationally and financially feasible, and only at a timescale which works for our distributors - meaning that we'll probably only make changes a few times each year.

You can also subscribe to receive pdfs by email. And there are other forms on the site which may be helpful, eg to provide us feedback on the magazine.

## Where are we now?

Only Clever Clogs knew we were at the Old Turnpike Cottages in Strete, for last month's picture. So, let's see how you get on with this month's picture going back to 1918.

Now the only question is where are we now?

It doesn't seem possible that 12 months has gone by with the new magazine, the *Voice*, and I hope you will all agree what a great job the new team has made of it and long may it continue.

It is also that time of year again to wish you all a very Happy Christmas and a Peaceful New Year.
